### Now Open

We have opened our newest Nursery and Irrigation branch location in Covington, GA off I-20. Stop by and check out our wide variety of plant material as well as irrigation products. Dan Pruehs has moved from our Peachtree City location to run the new nursery, and Alice Dodson has come on board as the Irrigation Manager.

We are very excited to have this new location up and running and would like to thank all the people involved in making it happen. In addition to all the hard work of Dan and Alice we want to give a special thanks to Newton County for working with us during the opening of this new facility.

### Grand Opening November 17

We will have a Grand Opening celebration on Thursday, November 17. Come by, take a tour of our nursery and let us introduce ourselves. Lunch will be provided and we will have irrigation manufacturer reps on hand to answer any questions you have. We look forward to seeing you there!
