GRAND OPENING

COVINGTON, GA

NOVEMBER 17, 2005

We had a great turnout on a cold day for the Grand Opening cookout of our Covington Nursery and Irrigation branch. Everyone kept warm around heaters and had a chance to see the new nursery and talk with manufacturer representatives about various products.

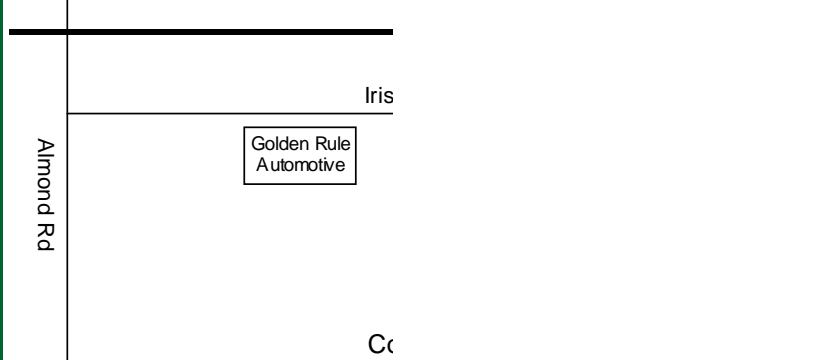

If you haven't had a chance to visit, we encourage you to drop by and check out our newest store. We have a full irrigation line as well as a wide variety of nursery product with lots of room to grow.
